Trophex Show Guide

Awards & Imaging magazine includes a comprehensive and informative mix of industry news, events, case studies, new product information, company profiles and technical articles covering all areas of the industry. Topics covered include trophies and trophy components, awards, engraving and lasers materials and machines, clothing, embroidery, heat transfer press, sublimation, promotional items, signs, garments and allied products and services. It is the leading magazine for the trophy; engraving and personalisation industry with a circulation aimed at those with that all important purchasing power.

Awards & Imaging also publish the IWD – Industry World Directory, this annual directory has both company and product listings of companies in the industry from all over the world; a digitised version can be accessible via this site. Entries in the directory are free of charge although you can enhance them with a paid box and advertising.

The IWD also incorporates many technical articles, reviews and current product information. Regular subscribers to the magazine receive a copy of the directory as part of their subscription to the journal.

Awards & Imaging also produce the Show Guides for Trophex and Euro Trophex; the national and international shows for the industry. Trophex takes place every January at the NEC in Birmingham, England and Euro Trophex every other year in October in Amsterdam, the Netherlands.

Editorial deadline is the start of the month prior to the cover month. So for the February issue your article would need to be with us by the first week in January. Please see the list to the left for the editorial content for the year. Should you wish to submit an article then please do not hesitate to contact us.

ADVERTISING

Getting the price right

We believe in keeping advertising costs competitive and adding that little bit extra to ensure you receive value for money.

Awards & Imaging magazine can offer you and your company advertising space at low rates. Take a look below for our advertising rates, we are sure you will agree.

Alongside the published magazine you and your customers can read the current magazine on-line via our website link, and the magazine is sent electronically to our online subscribers, this is all included in the advertising price.

Why not consider taking advantage of the free editorial to maximise the impact of your advert to really reach your target audience.

E-shots are also available which reach over 30,000 companies worldwide. Prices are available on request.

READER CIRCULATION:
